I have read and agreed to the [Terms and Conditions](#) of NatureBucks.

Be sure that you clicked the checkbox after you read the [Terms and Conditions](#). Else you are not able to register.

After you have clicked the box and you have filled in everything correctly you can continue by pressing on "Register".

Congratulations! Now you are successfully registered!

Now it's time to login. Click on "[Login](#)" in the navigation bar.

Fill in the form with your login details that you entered on the register form. And press "Login".

A login form with two input fields: "Username" and "Password". To the right of each field is a blue link: "Forgot Username?" and "Forgot Password?". Below the fields is a checkbox labeled "Remember Me". At the bottom of the form is a "Login" button, which is highlighted with a red circle.

Now you can see offers that you need to complete to earn money. Search one that you want to do and read what you need to do to complete the offer.

An offer card titled "European Special Survey Router" with a blue link. Below the title is the text "Complete the survey (Can be completed daily)". The "Amount" is listed as "\$0.42". The "Offer Rating" is shown as a smiley face icon followed by the text "This offer has been completed 18 times." At the bottom of the card are four buttons: "Submit" (highlighted with a red circle), "Ignore", "Report", and "Help".

Click on the blue link to go to the offer. After you have completed the offer you have to click on "Submit", else you will not receive your money.

After you have submitted you need to wait a while before you get your money, they have to check if you did the offer right.

Now there is also a manner to earn more money while you are doing the offers. Click on "[Refer a Member](#)".

Referrals are people that join the website via your link. When those referrals complete an offer, you will receive 20% of what they earned. So if they did an offer of 1\$ then you will receive 0.20\$. It doesn't look much, but imagine if you have a lot of them.

**Your Referral Link (70 Hits)**

Use your referral link to refer new members to NatureBucks. Place your referral link on a blog, forum, or show it to your friends. When someone clicks on your link and signs up for NatureBucks, that person will automatically become your referral. You will make money when your referrals complete offers!

Now you should have earned some money and have some referrals. Now it's time to withdraw the money.

Move your mouse on the "Rewards" button and click in the submenu that shows up on "[Withdraw Cash](#)".

You can choose what type of payment you want. I always choose for the PayPal Instant because the minimum is just \$0.05 and it's instant. You can choose something else if you want.

A screenshot of the PayPal Instant withdrawal form. At the top, there is a yellow button that says "INSTANT PayPal™". Below this, there is a section with the following fields: "Minimum \$0.05", "Withdraw" with a text input field containing "1.27", "-PayPal- Account" with a text input field, and "-PayPal- Account Again" with a text input field. At the bottom of the form, there is a "Withdraw" button circled in red.

Fill in the amount you want to withdraw. The maximum amount you can withdraw is already filled in. Enter two times you PayPal e-mail address and press on "Withdraw".

If you don't have a PayPal account yet, you can create one at [PayPal](#).

Congratulations! Now you have received your first online pocket money. Continue completing offers and getting referrals to receive more money!

Enjoy!
